

Thunderbirds of Southwest Ohio Bylaws, Version 3, Errata Sheet #2

On April 12, 2018 the membership of the Thunderbirds of Southwest Ohio discussed and voted on a proposal to add an Honorary Lifetime Members category to the TSWO Bylaws as described below and as documented in the May 2018 club meeting minutes. This errata sheet is to be used in conjunction with the currently in effect TSWO Bylaws, version 3, dated July 9, 2015 until such time there are sufficient changes to the bylaw content to warrant a new version 4. At that time this change will be formally incorporated into the new bylaws document and this errata sheet will be superseded.

Article II, Part 4, Honorary Lifetime Member is hereby officially added to read as follows and is effective April 12, 2018:

“In recognition of long term membership, participation, and furthering of the goals and purpose of the Thunderbirds of Southwest Ohio, an individual may be granted Honorary Lifetime Membership (HLM) in TSWO. Nominations may be made by any club member and will be submitted in writing to the Club President. Only one nomination per calendar year may be submitted for consideration. The written nomination will contain the name and adequate justification to support the nomination. The club officers, with BOD member assistance as needed, will review and make the final decision on the award of an HLM. A club officer must be recused from the deliberation process if they or an immediate family member is the nominee. If approved by a majority vote of the club officers, the candidate will receive Honorary Lifetime Membership status with all the same benefits of regular membership. Club dues for the HLM recipient will be waived in perpetuity and they will be issued a lifetime membership card. The submittal or content of the nomination package or any oral/written club officer discussions/notes regarding the nomination package are to remain confidential except and only when a nominee is awarded lifetime membership status. ”

A copy of this errata sheet has been inserted in to the master copy of version 3 of the Thunderbirds of Southwest Ohio Bylaws.
